

Experiment 2B and 2C Schedule (on WEB)

All Groups proceed first with the solution preparation on page 4 of experiment unless scheduled for experiment 2C or called by a TA to use the commercial fluorometer to take spectra (column 1 below). Goal is to get as much done on PTR scans on Tuesday as possible.

	2B Solution Prep	2B. FL spectra using PE LS50B p. 5	2B FL Em and Ex spectra using your PTR system pp. 6 - 9	2B FL setup and ready PTR with filters to run Calibration bottom p. 9	2B. FL calibration using your filter system (PTR) & DL, pp. 10-11	2C. HPLC
Tu 10/20 lab starts at 2 pm	All Groups	All Groups, one at a time	gp 1, 2, 3 & 4	gp 1, 2, 3 & 4	do not start this on Tuesday	gp 5 & 6 at 2 pm; if time, two more grps at 3:30 pm
Th lab starts at 1pm 10/22	Finish any solutions not done on Tu	Finish any groups not done on Tu	gp 5 & 6	gp 5 & 6	All groups collect calibration and DL data (finish 2B)	gp 1 & 2 at 1 pm gp 3 & 4 at 2 pm Any other grp that didn't finish on T
